August 16, 2022

Hello Friends,

Historic Onancock School is holding our 6th Annual Champagne & Oyster Tasting on November 13th, 2022. This vital fundraiser is a favorite event and very well attended. We depend on proceeds to help us with day to day operations of our facility and to be able to offer events open to the community.

This year, in addition to the sumptuous tastes by several local favorite chefs and yummy wines from North Street Market, is our most popular live auction, led by OHS alumni and fabled auctioneer Chester Jackson, we plan to feature "Eastern Shore Experiences". Some popular past examples: A private wine tasting for 12, a private baking or pasta making class, a wine & paint party, a kayak tour, a barrier island tour, an off-season cottage rental. Just to name a few ideas for offerings.

Do you have something unique to share and donate as an auction item? A boat tour? A plane ride? A weekend house on the water, tickets to an event, theater or music venue? Would you share your special talent in art, carpentry, gardening or other?

This theme of "experiences" is to embrace our unique shore essence and share it personally with each other.

Give me a call or email back your thoughts and ideas to;
collegeavenue6@outlook.com No offer will be refused if you are willing to give of your time. Historic Onancock School will benefit from your generosity and support, and we thank you.

PS – Tickets go on sale 9/16 for this fabulous event!!
